

The main concern of «Flamingo Paradise Beach Hotel» Management was and will remain the safety and protection of our guests, employees and partners.

Due to Corona Virus (COVID-19), the management has taken all necessary steps, measures and precautions to ensure and maintain a safe and healthy environment in the hotel areas, with a main target to prevent and limit the spread of coronavirus (COVID-19).

For a safe experience in our Hotel

The Hotel implements a strict Health & Safety Management System, which is constantly updated regarding Coronavirus (COVID-19), based on the directives, instructions, and suggestions from the authorities of the Republic of Cyprus, World Health Organization (WHO) and the Centre for Disease Control and Prevention (CDC). The Management is committed to ensure that:

1. The Hotel has a specific Action Plan and Crisis Management Team.
2. Employees, guests and associates follow the instructions and guidelines according to the decrees and protocols of the Ministry of Health.
3. Alcohol Based hand sanitisers have been placed at various areas of the hotel.
4. The frequency of cleaning & disinfection of public areas has increased, with the use of appropriate disinfectants
5. Hotel Team Members / Employees apply strict rules of personal hygiene and use of appropriate personal protective equipment.
6. Strict control measures (e.g., Body temperature measurement) are carried to Suppliers and Partners.
7. Strict daily checks are carried out on the staff by the Health and Safety Officer.
8. Measures to avoid overcrowding are applied in public areas.
9. Team members / Employees have been trained and regular briefings are held regarding COVID-19.
10. All necessary resources are available to implement the measures and directives, for resolving any problems that may arise.
11. The implementation of the measures is being monitored and updated when deemed necessary.

The Management of the company and the Hotel Management Team declares its commitment for the efficient operation of the measures, as mentioned above and therefore the provision of a safe experience in our hotel.
